

**Certificate** of constancy of the performance of the product**0679-CPR-1041**

(English translation, the original version is in French)

In compliance with the Regulation (EU) No 305/2011 of the European Parliament and of the Council of 9 March 2011 laying down harmonised conditions for the marketing of construction products and repealing Council Directive 89/106/EEC, it has been stated that the construction products indicated in the following page, placed on the European economic area market by:

**HEXSTONE Ltd**

Opal Way Stone Business Park Stone  
ST15 0SW STAFFORDSHIRE  
Royaume-Unia

and produced in the factory:

**Factory 516 Taiwan**

is (are) submitted by the manufacturer to a factory production control and to the further testing of samples taken of the factory in accordance with a prescribed test plan, and that the notified body - CSTB - has performed the assessment of the performance of the construction product(s), the initial inspection of the manufacturing plant and of the factory production control and performs the continuing surveillance, assessment and evaluation of the factory production control (system 1).

This certificate attests to the product(s) performance(s), relative to the essential characteristic(s) chosen by the manufacturer, and that all provisions concerning the assessment and verification of constancy of this (these) performance(s) described in the harmonised reference technical specification:

Guideline for European Technical Approval n°001 (ETAG001) 2013  
use as a European Assessment Document (EAD) completed by European Technical Assessment ETA - 15/0040 issued on 14 April 2015

are applied and that the product(s) fulfills (fulfill) all the prescribed requirements.

This certificate can only be used in conjunction with the declaration of performance of the product written by the manufacturer or his authorised representative established in the European economic area and with the technical specification in reference.

This certificate is issued on 13 June 2022, it replaces the certificate previously delivered on 26 June 2018 and, except for withdrawal or suspension, remains valid as long as the conditions laid down in the corresponding technical specification in reference or the manufacturing conditions in the factory or the factory production control itself are not modified significantly.

This certificate comprises 2 pages.

The list of certificates issued by CSTB is kept up-to-date by the CSTB.

Issued in Champs sur Marne, on 13 June 2022.
